

**Department of English
Honors Thesis Application**

- Please fill out this form and email it with supporting materials to the Honors Director, Jennifer Wilson (wilsonjp@appstate.edu), **and** your thesis director, no later than Thursday of the first week of the semester in which you are completing ENG 4510. The Honors Director will then collect the chair's signature and process the paperwork to enroll you for 3 credits in ENG 4510.
- Students completing both departmental AND university honors should fill out both this form and the application required by the Honors College.
- **Supporting materials:** a 1-2 page prospectus (a description of your planned project) revised according to comments from your thesis director, names of the two other tenure-track English faculty members who have agreed to serve as your second and third readers (except for those students completing University Honors, where the third reader must be from a different department)
- Please note that completing the honors thesis does not ensure the distinction of graduating with Departmental or University Honors. Students must complete required course work and maintain GPA requirements to graduate with Honors.
